Why choose IBA

Our History

57 years ago Institute of Business Administration (IBA) Karachi, led the concept of business school outside North America, and still innovating across all our programs. We have produced outstanding graduates, who have worked and matched in performance with graduates of most renowned global business schools.

Inspirational Faculty

Our faculty is drawn from both academia and practicing professionals to steer the program with high quality input and constant quality checks. Prominent and successful leaders of related fields would be invited to share their experiences with the participants. Webinars through modern video conferencing facilities shall be conducted where needed, to facilitate global learning and experience sharing with international speakers.

Our promise to individual potential and career growth

IBA is proud to have developed Pakistan's top business leaders to handle business complexities. IBA brings together diverse and high caliber peer groups to create a class room rich with diverse perspectives; fostering a competitive learning experience. The experienced faculty with their expertise in business management further enriches the learning experience through interactive discussion, case applications and sharing their industry experiences. Through our rigorous program we develop and equip you with the unique blend of ingredients essential for success.

Interaction with a large alumni base

We provide a unique opportunity to benefit from the business acumen of the largest alumni base of any business school in the Asia region.
