

Your application and professional profile for pre-qualification must be complete in every respect, including the following particulars:

1. Name and complete address of the individual/firm, clearly identifying postal and location addresses, land-line (PTCL) telephone numbers and e-mail addresses of key personnel.
2. A list of similar projects completed in the last ten years. Give a brief description of each project, its starting and completion dates and the names and telephone numbers of the contact persons.
3. A list of similar projects in hand. Give a brief description of each project, its starting and expected completion dates and the names and telephone numbers of the contact persons.
4. An affidavit to the effect that (a) you have never been involved in any litigation with any government organization and that there is no ongoing litigation involving the applicant, (b) the applicant has never been blacklisted by any government, semi-government or private organization, and (c) all information provided by the applicant in his application for prequalification is true and correct and that no relevant information has been concealed.
5. A list of key technical and non-technical persons who are your regular employees and hold relevant licenses.
6. A list of tools, plant, equipment, machinery and testing instruments you own.
7. Documentary evidence of your financial position, e.g., a bank statement or audited accounts of the last three years. Just a bank certificate saying that you have an account with the particular branch is not acceptable.
8. NTN and the last three years' Income Tax Assessment Orders, and
9. Any other document/information that will support and strengthen your application.
