

Evaluation Criteria of Vendors' Proposal For GEM APS

Technical Evaluation Criteria

1. Research Design and Methodology
2. Reputation and Prior Experience
3. Regional Office in Major Cities
4. Survey Team Profile
5. Meeting GEM Requirement
6. Project completion Timeline (not more than two months from award of contract)

Each Vendor proposal would be marked against above criteria.

Each Criterion carries 10 points, attaining 5 or below points in any criteria would disqualify the vendor. Attaining less than 80% aggregate marking would also disqualify vendor.

The contract would be awarded to the "Technically Qualified Vendor" with the lowest offer
