Subject : Faculty & Course Evaluations Fall 2018

As you are aware that QEC-IBA has been conducting Faculty & Course Evaluations every semester in order to get your feedback to further enhance the quality of teaching and learning at each level in IBA.

The execution of the Faculty & Course Evaluation (Fall 2018) is scheduled from 4th December- 8th December, 2018.

This may please be noted that in order to maximize students' response rate, the evaluation has been made open access so that you can access it from anywhere (on/off campus) during the stipulated time frame using your ERP login ID and Password.

Since it is an important tool to identify the best practices in teaching at IBA and it helps us identify areas for improvement in our teaching and learning system, you are requested to fill the form with responsibility and honesty.

Please be informed that students who do not complete the Faculty & Course Evaluation for all courses in the above mentioned time frame will NOT be provided any extension and will be required to complete the evaluations during the first 30 minutes of Final Exam for which no extra time shall be given.
