

COMMUNITY WELFARE SOCIETY

Report for the month of January

In the month of January the Community Welfare Society held its first major event of 2015; Shaam-e-Shair-e-Yaaran, a Sufi Night featuring Amjad Sabri at IBA's football ground. The purpose of this event was to raise funds for the TCF project and give the TCF campaign a boost.

The event took place on the 8th of January and was pulled off to perfection by the CWS team in accordance with all the rules of the IBA administration who we appreciate for their co-ordination. IBA students and Alumni came in numbers for the first Sufi night at IBA and the reviews received were very positive and encouraging.

Our next target is the Charity Carnival which we see as our major fundraiser.

Apart from that the team is working on the TCF project by approaching private donors and companies who would like to invest their CSR budgets on the School that needs to be built in Gadap.

CWS also collaborated with MUNIK in January to collect donations for the TCF project where our representatives went to every committee session to create awareness and request the delegates for their help. The response was positive and CWS looks forward to collaborate with other societies for this project.
