Islamic finance must remain key driver of growth, says Dr Ishrat Husain

IBA celebrates 10 years of its Centre for Excellence in Islamic Finance

News Desk

The Centre for Excellence in Islamic Finance (CEIF) at IBA celebrated its 10-year journey in shaping the future of the Islamic financial landscape in Pakistan with a grand event titled "A Decade of Empowering Islamic Finance".

Dr Irum Saba, IBA-CEIF director, delivered the welcome address. She acknowledged the strong collaboration of Islamic financial institutions, which she said, had enabled the centre to achieve such a major milestone.

She credited the centre's success to the support of various banking authorities, including the State Bank of Pakistan (SBP).

In his address, IBA Executive Director Dr S Akbar Zaidi noted that 2025 had been an exceptional year for the institution as it marked 70 years since its establishment.

He highlighted the prestigious AACSB Accreditation secured by IBA-SBS earlier this year, a distinction that placed the school among the top 6 per cent of the business schools worldwide.

He emphasised the IBA's ongoing efforts to deepen its partnership with the banking sector and discussed the growing significance of the halal economy.

Dr Zaidi also underscored the importance of developing a 10-year roadmap for IBA-CEIF to guide its future direction.

The guest of honour, Consul General of Malaysia Herman Hardynata Ahmad, congratulated the IBA-CEIF on this milestone and underscored the value Malaysia places on its collaboration with Pakistan for the shared progress of the Muslim world.

Dr Ishrat Husain, IBA-CEIF and former SBP governor, congratulated the audience on the completion of a decade of the IBA-CEIF.

He emphasised that Islamic finance and banking must remain the key drivers of growth, urging the establishment of more centres like the IBA-CEIF to further strengthen the sector.

Dr Husain acknowledged the support from signing of multiple memorandums of understanding (MoUs) between the IBA and leading financial institutions, including UBL, Raqam Islamic Bank, Bank Islami Pakistan, AlBaraka Bank, and First Habib Modaraba.

The chief guest of the event was SBP Deputy Governor Saleem Ullah Habib Modaraba.
